Thanks Ray. On another topic, since the testing is scheduled for the week of Sept 21, I wanted to check in with regard to the status of your testing plan submittal. I am not sure if I mentioned this to you, but I told Sonnie that my colleague Joel Coffman will witness the testing, so please keep him in the loop.

Thanks, Michele

Hi Ray,

Thanks for getting in touch – I had suggested to Sonnie in my prior email that I thought I would have more information regarding the aquifer exemption package this week, however we are still sorting through the package. I will get back to you as soon as I have some information to transmit.

Sincerely,

Michele
